

MI AIM Update

DECEMBER 15, 2020

Introduction

- Thank you for continuous hard work and sacrifices during these unprecedented times
- Many, if not all, Region 1 birthing hospitals are addressing maternal and infant health issues

Brief Overview

- AIM = Alliance for Innovation on Maternal Health
- National initiative to address maternal morbidity and mortality
 - <https://safehealthcareforeverywoman.org/aim/>
- Patient Safety Bundles
 - Standardized approach for delivering evidence-based practices
 - Goal is to improve patient outcomes

Michigan AIM

- Michigan has a chapter of AIM
 - www.miaim.us
 - MI AIM Booklet
 - Designation Criteria
 - 2021 is based on calendar year
 - Safety Bundles of Focus
 - Obstetric Hemorrhage
 - Hypertension
 - Reduction in Primary Cesarean Birth (OBI)
 - Sepsis (NEW)

MI AIM HANDBOOK

MI AIM
MICHIGAN ALLIANCE FOR INNOVATION
ON MATERNAL HEALTH

Zero Preventable Deaths. Zero Health Disparities

Region 1

- In 2019, Dickinson County Hospital received silver designation status!
- Several hospitals have previously submitted data
- We know that many, if not all, birthing hospitals are addressing maternal and infant health, implementing bundles etc, but may not be connected to MI AIM
 - If any hospitals want to share/discuss challenges related to MI AIM participation or would like technical assistance in getting started with MI AIM, please contact me:
GoergeE@michigan.gov

Ways to Participate

- Monthly webinars
 - Next webinar is scheduled for January 19, 2021
 - Dr. Ann Borders from Illinois will be discussing hypertension measures
 - I will send zoom link and call-in information to Tyler to send out
- Maternal Health Safety Sessions
 - Joint effort by Michigan Hospital Association, MI AIM and Michigan Dept of Health and Human Services
 - Last year hosted 5 sessions which offered time for open dialogue
 - More sessions will be offered in 2021
 - Structure of sessions and agendas are being finalized. Stay tuned for more details!

Related Announcement

- U.S. Department of Health and Human Services released [Maternal Health Action Plan](#)
- U.S. Surgeon General released a [Call To Action To Improve Maternal Health](#)
