

DECEMBER 2020 REGION 1 PERINATAL COLLABORATIVE

ANNOUNCEMENTS

- [WIC Breastfeeding Warmline](#)
- [Center for Health Equity Practice Workshop Series](#)
 - [Register Here](#): This workshop series addresses inequities in maternal and infant mortality by supporting transformational change within individual and organizational practice. This workshop series leverages the wisdom and power of health care providers to lead change within their own organizations and across the State of Michigan by building capacity to mobilize equity initiatives through training, technical assistance, and participation in a community of practice.
- [Tracking State Policies to Improve Maternal Health Outcomes-CHCS](#)
- [Maternal Infant Health and Equity Updates](#)
 - [Sign up here](#) to be added to their mailing list.
- The U.S. Department of Health and Human Services recently released an [Action Plan To Improve Maternal Health in America](#) and reduce pregnancy-related deaths. In addition, the Surgeon General released a [Call to Action To Improve Maternal Health](#). Additional information on the U.S. Department of HHS and Surgeon General's Call to Action [here](#).
